

DECISION DOCUMENT

Based on the Agreement between the Government of the Republic of Slovenia and the Government of the Republic of India on Scientific and Technological Cooperation, signed in New Delhi on 31st January 1995 and on the call for proposals for joint research projects, announced by the Slovenian Research Agency and the Ministry of Science and Technology of the Republic of India respectively in 2009, the two sides realize that:

The Slovenian Research Agency received 18 (eighteen) proposals for joint research projects and the Ministry of Science and Technology of the Republic of India received 18 (eighteen) proposals for joint research projects.

The project proposals have been peer reviewed by both sides.

In absence of the Joint Indo-Slovenian Working Group for Scientific and Technological Cooperation Meeting the Ministry of Higher Education, Science and Technology of the Republic of Slovenia and the Ministry of Science and Technology of the Republic of India have come to the agreement to co-finance 4 (four) matching proposals received by both sides. The approved projects are listed in Annexure 1.

The approved projects will be funded for the period of 3 (three) years from date of sanction (one short visit up to 10 days and one long visit up to 1 month each year in each direction, unless requested otherwise by the applicants).

The 14 remaining joint project proposals will be considered, along with the Programme of Cooperation for the period 2011 - 2013 at the Joint Indo-Slovenian Working Group for Scientific and Technological Cooperation Meeting summoned for September 2010 in Ljubljana.

Done in Ljubljana and New Delhi, respectively, in July 2010.
