

DECISION DOCUMENT

Based on the Agreement on Co-operation in Science and Technology between The Government of The Republic of Slovenia and The Government of The Republic of Turkey, signed in Ljubljana on April 19, 2001 and on the call for proposals for joint research projects, announced by The Slovenian Research Agency (ARRS) and The Scientific and Technological Research Council of Turkey (TÜBİTAK) respectively in 2008, the two sides realize that:

ARRS and TÜBİTAK, each of them received 6 (six) proposals of joint research projects.

The project proposals have been peer-reviewed by both sides. The Ministry of Higher Education, Science and Technology of The Republic of Slovenia, ARRS and TÜBİTAK have come to the agreement to co-finance 3 (three) matching projects submitted to the call and confirmed by both sides after the evaluation. The approved projects and the number and the duration of the scientific visits are listed in the Annex 1.

The approved projects will be funded starting on January 1, 2009. The durations of the projects are indicated in the Annex 1.

Done in Ljubljana and Ankara respectively, on 19 December 2008 in two original copies in the English language, both texts being equally authentic.
