

SLOVENIAN RESEARCH AGENCY

ADDENDUM

to the Protocol of the 8th Meeting of the Representatives of the Ministry of Higher Education, Science and Technology of the Republic of Slovenia and the British Council on the Co-operation Working Programme for the Period from 1 January to 31 December 2008

The Slovene and the British side agreed to accept/confirm another PSP project for the year 2008 and include it into the Protocol (List of Approved projects for the year 2008).

Title of the project is "Development of Fusion Relevant Ceramic Matrix Composites" (area: Sustainable Energy Sources).

Project Lead Partners are:

on the Slovene side:

- Dr. Saša Novak Krmpotič,
Jožef Stefan Institute

and on the British side:

- Dr. Aldo Boccaccini,
Imperial College London.

The signed Addendum will be included as Annex 3 to the Protocol of the 8th Meeting of the Representatives of the Ministry of Higher Education, Science and Technology of the Republic of Slovenia and the British Council on the Co-operation Working Programme for the Period from 1 January to 31 December 2008.
