Opombe:

¹ Izraz vodja raziskovalnega programa je zapisan v moški slovnični obliki in je uporaben kot nevtralen za ženske in moške. [Nazaj](#)

² Naveden je cenovni razred na dan objave javnega poziva oziroma javnega razpisa za raziskovalne programe. [Nazaj](#)

³ Opis raziskovanja, ugotovljeni rezultati, uporaba rezultatov in sodelovanje s tujimi partnerji. Največ 6.000 znakov vključno s presledki (približno ena stran, velikosti pisave 11). [Nazaj](#)

⁴ Realizacija raziskovalne hipoteze, programa dela in zastavljenih ciljev. Največ 3.000 znakov vključno s presledki (približno pol strani, velikosti pisave 11). [Nazaj](#)

⁵ Znanstveni dosežek (največ pet) vpišite tako, da izpolnite COBISS kodo dosežka - sistem nato sam izpolni naslov objave, naziv, IF in srednjo vrednost ter podatek, ali je dosežek uvrščen v A", A' ali A1/2. [Nazaj](#)

⁶ Družbeno-ekonomski dosežek (največ pet) vpišite tako, da izpolnite COBISS kodo dosežka - sistem nato sam izpolni naslov objave, naziv, IF in srednjo vrednost revije ter podatek, ali je dosežek uvrščen v A", A' ali A1/2. COBISS ID ni obvezen podatek. [Nazaj](#)

⁷ Navedite število tistih diplomantov, katerim je bil član vaše programske skupine mentor pri izdelavi diplomskega dela v obdobju –od 1. 1. 2013 do oddaje tega poročila. [Nazaj](#)

⁸ Navedite imena tistih magistrantov in doktorandov, katerim je bil član vaše programske skupine mentor pri izdelavi magistrskega oziroma doktorskega dela. Pri posamezniku označite stopnjo dosežene izobrazbe ter označite, če je bila oseba s strani ARRS financirana po programu »Mladi raziskovalci«. [Nazaj](#)

⁹ Za mlade raziskovalce, ki ste jih navedli v tabeli 6.2. točke (usposabljanje so zaključili v obdobju od 1. 1. 2013 do oddaje tega poročila), ustrezno označite, kje so se zaposlili po zaključenem usposabljanju. [Nazaj](#)

¹⁰ Navedite naslove raziskovalnih programov Evropske unije in ime člana programske skupine, ki je bil oziroma je vodja/koordinator navedenega programa. Največ 3.000 znakov vključno s presledki (približno pol strani, velikosti pisave 11). [Nazaj](#)

¹¹ Navedite naslove drugih mednarodnih raziskovalnih in razvojnih programov/projektov oz. drugega mednarodnega sodelovanja ter ime člana programske skupine, ki je bil oziroma je vodja/koordinator navedenega mednarodnega sodelovanja. Največ 3.000 znakov vključno s presledki (približno pol strani, velikosti pisave 11). [Nazaj](#)

¹² Navedite naslove projektov, ki ne sodijo v okvir financiranja ARRS (npr: industrijski projekti, projekti za druge naročnike, državno upravo, občine idr.) in ime člana programske skupine, ki je bil oziroma je vodja/koordinator navedenega projekta. Največ 3.000 znakov vključno s presledki (približno pol strani, velikosti pisave 11). [Nazaj](#)

¹³ Vpišite ime in priimek člana programske skupine ter navedite avtorstvo oz. soavtorstvo patentov, standardov, licenc, novih proizvodov, tehnologij in tehnoloških rešitev, inovacij. Največ 3.000 znakov vključno s presledki (približno pol strani, velikosti pisave 11). [Nazaj](#)

¹⁴ Opišite možnosti za uporabo rezultatov v praksi. Opišite izdelke oziroma tehnologijo in potencialne trge oziroma tržne niše, v katere sodijo. Ocenite dodano vrednost izdelkov, katerih osnova je znanje, razvito v okviru programa oziroma dodano vrednost na zaposlenega, če jo je mogoče oceniti (npr. v primerih, ko je rezultat izboljšava obstoječih tehnologij oziroma izdelkov). Največ 3.000 znakov vključno s presledki (približno pol strani, velikosti pisave 11). [Nazaj](#)

¹⁵ Največ 1.000 znakov vključno s presledki (približno 1/6 strani, velikost pisave 11). [Nazaj](#)

Remarks:

¹ The term Programme Leader is not gender-specific and shall be understood as neutral applying to both female and male genders. [Back](#)

² Price category as at the day of the publication of the research programme public call or public tender is stated. [Back](#)

³ Description of the research, the established results, their use and cooperation with foreign partners. Maximum 6,000 characters including spaces (approximately one page, font size 11). [Back](#)

⁴ Realisation of the research hypothesis, the work programme and set objectives. Maximum 3,000 characters including spaces (approximately half of a page, font size 11). [Back](#)

⁵ Enter the scientific achievements (maximum five) by entering the COBISS code of the achievement – the system then automatically enters the title of the publication, name, IF and the medium value of the journal and information on whether the achievement has been classified as A", A' or A1/2. [Back](#)

⁶ Enter the socio-economic achievements (maximum five) by providing the COBISS code of the achievement – the system then automatically enters the title of the publication, name, IF and the medium value of the journal and information on whether the achievement has been classified as A", A' or A1/2. The COBISS ID is not a compulsory piece of information. [Back](#)

⁷ State the number of the graduates to whom a member of your programme team was a mentor in preparing the diploma thesis – from 1 January 2013 to the submission of this report. [Back](#)

⁸ List the names of those who obtained masters degrees and PhDs and had a member of your programme team as a mentor in preparing master's thesis or doctor's thesis. Mark the level of the achieved educational level and state whether the person was funded by the Slovenian Research Agency under the »Young Researchers« programme. [Back](#)

⁹ For young researchers who you listed in the table in Point 6.2. (the training was concluded in the period from 1 January 2013 to the submission of this report) mark where they got employed after the completion of the training. [Back](#)

¹⁰ State the titles of the research programmes of the European Union and the name of a member of the programme team who was or is the leader/coordinator of the programme concerned. Maximum 3,000 characters including spaces (approximately half of a page, font size 11). [Back](#)

¹¹ State the titles of other international research and development programmes/projects and other international cooperation respectively and the name of a member of the programme team who was or is the leader/coordinator of the international cooperation concerned. Maximum 3,000 characters including spaces (approximately half a page, font size 11). [Back](#)

¹² List the titles of projects which are not funded by the Slovenian Research Agency (e.g.: industrial projects, projects for other contracting parties, for public administration, municipalities etc.) and the name of the member of the programme team who was or is the leader/coordinator of the project concerned. Maximum 3,000 characters including spaces (approximately half a page, font size 11). [Back](#)

¹³ Enter the name and surname of a member of the programme team and the (co)authorship of patents, standards, licences, new products, technologies and technological solutions and innovations. Maximum 3,000 characters including spaces (approximately half of a page, font size 11). [Back](#)

¹⁴ Describe the possibilities of using the results in practice. Describe the products and technology respectively and potential markets and niches where they belong. Estimate the added value of the products whose base is knowledge developed within the programme and the value added per employee if it can be assessed (e.g. in the cases where the result is mirrored in the improvement of the existing technologies or products). Maximum 3,000 characters including spaces (approximately half a page, font size 11). [Back](#)

¹⁵ Maximum 1,000 characters including spaces (approximately 1/6 of a page, font size 11). [Back](#)
